Not available throughout the school terms due to class participation levels usually being at maximum attendance but available in holiday training.

Gymnasts are able to make-up up to **2 missed lessons** in holiday training. The absentee from regularly scheduled lessons needs to be reported to the club office for recording to later refer to for the make up.

#7 Refunds

Pre payment of lesson fees and registration packages is a requirement to ensure a class position is available. A non-refundable Membership package fees applies to all.

Non attendance at general training sessions does not qualify a gymnast for a refund, credit or exchange against fees paid.

Training fees do not include costs for events, level badges or any uniform items. The lesson fees are applied for coaching/tuition provided and use of VPGTC Inc gymnastics related equipment.

Gymnasts are eligible for a maximum of 2 make up lessons, available during holiday training. Make up lessons are for *genuine* illness and/or special circumstances. This does not include - today is too hot to train, I'd rather go to my friends birthday party, or similar. These absentees need to be phoned into the club administration and recorded on the clubs finance computer.

In the event of an injury or illness that necessitates non attendance for more than 2 scheduled lessons, a doctors certificate needs to be provided to the club office for verification. A written request for refund or fee adjustment needs to be submitted for a decision from the Management Committee. A reply will be forthcoming, with the appropriate refund or fee adjustment note.
